1. Please write one page about why you would like to serve with First Church in Windsor's Youth in Mission group this summer.
2. Write a paragraph about what school you attend and your interests and hobbies.
3. Your application and a check for \$215.00 (made out to First Church in Windsor memo/Cluster 13) are due by December 31, 2010. (Adult advisors don't pay a fee.)
4. Youth and advisors attending the trip will be required to attend 6 planning and training sessions (this includes a safety and construction session) to prepare for the mission trip. Training dates are to be determined.
5. In order to keep the costs of the mission trip to a minimum, youth and adult advisors are expected to assist with fundraising activities. Meeting this requirement is essential, and therefore participation will be tracked. Lack of participation can disqualify an applicant from attending the mission trip.
6. All participating youth and adults must sign the "Mission Trip Covenant."
7. To keep mailing costs to a minimum, correspondence by email and/or phone is preferred. Please list your family's preferred email and/or phone numbers above.
