Bank of America, Trustee
c/o Trinity College
Hartford, CT

Origin of the **Fuller Scholarship Fund**

Frank Roswell Fuller was born in Hartford on August 23, 1873, and attended local public schools. He went to New York City at the turn of the century and commenced a long and successful career in the brokerage business. He later formed his own company at 40 Wall Street known as Fuller & Company, which operated from 1904 to 1920. When he retired he came to live in West Hartford where he purchased several large farms in the northwest section of the town. He died on March 1, 1957. Mr. Fuller was always interested in helping “needy, deserving” students obtain the education that he had not been able to enjoy himself. His will, probated in the Probate Court for the District of Hartford, establishes a substantial scholarship fund with the Connecticut Bank and Trust Company, now Bank of America, as Trustee. A committee of five was appointed by the will to determine the scholarships.
